

Culinary Experience with Legacy Eats

Enjoy restaurant style service in the comfort of your own home. Our menu was carefully put together with Brighton in mind. Sit back, relax and let our culinary team serve your order right to your table.

To enhance your experience, menus change daily and adapt seasonal changes. The dining room will provide just the right environment and ambiance for each three course meal you select, start with an appetizer, followed by a delicious entrée, and finally end your experience on a sweet note with dessert.
